

Apollo Spot-Free Wash System, Vehicle Mount

Figure 1: Apollo Spot-Free Wash System, Vehicle Mount

Figure 2: Taylor Dunn Utility Truck

Description and Use

GE's powerful Apollo Vehicle mounted systems (Figure 1) can be mounted in the bed of any pickup truck or on a Taylor Dunn Utility Truck (Figure 2). (Taylor Dunn is trademark of the Taylor Dunn Manufacturing Co.) You can choose between a single or dual hose configuration. All configurations provide a massive 300 gallons (1.1 m³) of spot-free water capacity to attack the largest of jobs. The ideal source of spot-free water can be supplied via a GE Apollo Pad-Mount RO or DI water system.

To help maintain and extend your system's life and capability, all GE Apollo Spot-Free Wash Systems can be covered by comprehensive service and maintenance coverage and supported by our fully trained field services team.

Standard Equipment

- Top quality hose reel with 360° swivel
- Single or Dual 100-foot (30-meter) sleeved high pressure hoses
- Trigger gun for on/off control
- Flexible wand with nozzle protector
- Trigger gun
- 80-mesh feed water filter
- Triplex high pressure pump
- Powder coated 1.5-inch (3.8 cm) tubular frame
- Thermal overload pump protection
- 300-gallon (1.1 m³) polyethylene water storage tank
- Low tank level pump protection

Taylor-Dunn

- Load capacity - 3000 lbs. (1361 kg)
- Battery box - holds six (6) electric vehicle batteries
- Powder coated steel unibody frame
- Highway tread pneumatic tires
- Battery charger - 25-amp, 36-volt built-in charger
- Automotive type drive axle
- Motor - 36-volt, 10-Hp electric motor
- Brakes - rear disc brakes; hand operated parking brake
- Heavy duty, vinyl covered foam bench seat

Table 1: Specifications

Specification	Single Hose	Dual Hose
Discharge Capacity/Gun, gpm (lpm)	3.5 (13)	3 (11)
Operating Pressure (PSI)	1200	1200 each
Engine	Honda	Honda
Horsepower	5.5	11
Pump	3 Cylinder, oil bath	3 Cylinder, oil bath
Reels	Manual Rewind	Manual Rewind
Depth, inches (cm)	75.75 (192)	75.75 (192)
Width, inches (cm)	41.25 (105)	41.25 (105)
Height, inches (cm)	44 (112)	44 (112)
Weight, lbs. (kg)	500 (227)	500 (227)
